## Data Quality Control

**ACTION REQUIRED: Please see the description to understand the data quality issue, and ask the enumerator to provide an explanation for the result, or correct the data**

| Enumerator | Farmer | Start date / time of survey | Description of data quality issue | Enumerator response | For Enveritas internal use [hide columns] | |
|---|---|---|---|---|---|---|
| | | | | | Form ID | Flag ID |
| | | 2022-07-07 15:31:24 | [Coffee plot larger than entire farm area: coffee plot is 15.0 hectares while farm area is 11 hectares] | | *170908550* | *inc_plot_area* |
| | | 2022-07-07 15:31:24 | [The enum said the most common tree age is 12 but also said that the % of trees below 5 years on the farm is more than 50%] | | *170908550* | *inc_tree_age* |
| | | 2022-07-07 15:31:24 | [The enum said the farmer expanded their coffee plot by 20.0 hectares but also said the area of the plot is 15.0] | | *170908550* | *inc_expansion_area* |
| | | 2022-07-07 15:31:24 | [The enum said the farmer expanded their coffee plot by 50.0 coffee trees but also said the number of trees on the plot is 15] | | *170908550* | *inc_expansion_trees* |
| | | 2022-07-07 15:31:24 | [Area of all coffee plots very large: 11 hectares] | | *170908550* | *num_area_all_plots_high* |
| | | 2022-07-07 15:31:24 | [Area of coffee plot very large: 15.0 hectares] | 14 ha | *170908550* | *num_area_plot_high* |
| | | 2022-07-07 15:31:24 | [Low tree density on coffee plot: 1.0 trees per hectare] | 1000 trees on 10 hectares | *170908550* | *num_density_low* |
| | | 2022-07-07 15:31:24 | [Low distance between two trees: 2.0 meters] | | *170908550* | *num_tree_spacing_low* |
| | | 2022-07-07 15:31:24 | [Electricity used for irrigation too high: 3000.0 kWh] | | *170908550* | *num_irr_electricity_high* |
| | | 2022-07-07 15:31:24 | [Diesel used for irrigation too high: 500.0 liters] | | *170908550* | *num_irr_diesel_high* |
| | | 2022-07-07 15:31:24 | [Yield too low: 60.6060606060606 kg gbe per ha] | | *170908550* | *num_yield_low* |
| | | | Fertilizer volume high: x per ha. [] | | | |
